

Consent Form (28/7/18) to participate in Beta Testing of PhySense

Please ensure that you have read and understood the information contained in the project's **Participant Information Sheet** and asked any questions before indicating your agreement to this online Consent Form.

If you have any questions you can contact the research team, whose details are set out on the Participant Information Sheet. If you do decide to take part, you are still free to withdraw at any time without giving a reason.

Conditions and eligibility		Yes	No
(a)	No current medical condition(s) that might affect your immune system, including infection, pregnancy, immunosuppressive therapy (hepatitis, HIV, chemotherapy (incl. neoadjuvant)) and any unknown/undiagnosed conditions
